Abbreviated Plan

A Supports Coordinator may complete an Abbreviated Support Plan for an individual who is receiving limited services and supports. An abbreviated plan is defined as being under \$2000 in services, and is not a waiver. An example of an abbreviated plan could be Family Supports Services (FSS) (Family Driven) or Life Management Plan.

When completing an abbreviated plan, the following minimum screens must be completed:

- Demographics
- Like and Admire
- Know and Do
- Desired Activities
- Important to
- What Makes Sense
- Medications
- Medical Contacts
- Education/Vocational Screens if applicable
- Outcome Summary
- Outcome Actions
