   3. The lead candidates and possible candidates will be selected for a telephone screening. Those candidates who successfully complete the telephone screening will be invited to an in-person interview.
   4. The number of candidates actually interviewed will vary but a general guideline would be to interview three to five lead candidates.
   5. If none of the lead candidates are hired, the applicants considered possible candidates should be carefully reviewed and selected for an interview.
   6. If no qualified candidates are found, the Program Director should consult with the Human Resources Department to discuss additional options.
