

Monroe County Destination Scavenger Hunt

1. Described as a Poconos staple, I am the home of handmade candles, candy, and jewelry. You might even call me a national treasure
2. I hosted the final gathering point of the annual Mental Health Awareness walk. You can find play ground equipment and a pavilion for relaxing on my grounds
3. Enjoy dining in one of our rooms that overlook McMichael's creek and a beautiful historical landmark of a tree that is all part of the ambiance.
4. Concerts, festivals, musical entertainment for all ages. You are "sher" to have a blast here!
5. You will have a WILD time at our resort. I would be "lion" if I said this park wasn't a GGRREAT time! Spend your time indoors or out with lots of thrills and water fun!
6. "Where Warriors Belong". Hopefully most of my inhabitants spend most of their time at my library but sometimes Greek Life takes over.
7. My main lodging site was built in 1911, with a total of 80 rooms. We offer many other lodging options from "glamping" to themed houses. Don't forget about our theater house, brewery, and golf course too!
8. Homemade candies, chocolate, fudge, and more crafted here for generations of family. Stop by during the spring time for a visit from a very special bunny or take a trip through time at our candy museum!
9. Despite having a serpent in my name, I am host to so many more creatures furry and scaled. We enjoy having people of all ages visit us to learn and have hands on fun!
10. CHA-CHING \$\$\$ Flashing lights, live entertainment, a relaxing spa, and of course, the chance to win BIG.
